SOME PEOPLE MISSED CH 16 WE UPLOADED 1.5 WEEKS AGO.

THE REASON IS THAT I SET CH16 TO ARCHIEVED, BUT THEN COULDN'T REVERT THAT ANYMORE DESPITE DELETING AND FULLY REUPLOADING IT.

FROM MY HAND
I SUMMON 'FOREST'.
ALL CREATURES WITH 'FOREST' IN THEIR NAME
GAIN AN EXTRA 500 TO THEIR STATUS.
I want to win....
this fight...
so that I can say my thanks to Aoi-chan
when I meet her...!
WHAT'S WRONG WITH YOUR DECK?
SORRY.

WHAT IS IT SUPPOSED TO DO?
BUT YOU KNOW, WHAT'S THE CONCEPT FOR THIS DECK?
..MY BAD.
NH?
NH--....

WHAT'S WITH THAT CHOICE OF WORDS?
HEY!
ARE YOU MESSING WITH ME?
AH.

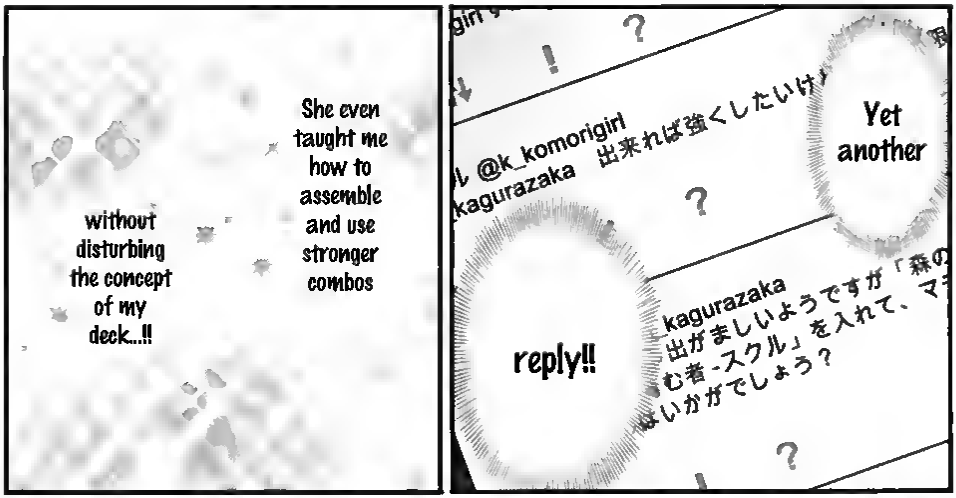
However, in order to turn it into a deck that might still win,
I mixed in cards that are on the brim of what can be called cute as well.
the cards with motives that I might come to like and think are cute aren't usually strong, which is why what I'm doing is called self-restricting play.
Generally speaking,

...I couldn't say that.
A deck that's cute but can win.
I'M SORRY
AH--
SOME-HOW

However, with the expansion from a while back

that can't be helped..
So even if the result makes them think I'm messing with them...

I was happy
It's weak but...
I assembled an incredibly cute deck!!
and
It's weak, but
I have assembled a deck that I can be content with in terms of cuteness..!!
Aoi-chan, whom I adore.
I ended up tweeting that towards
@k_komorigiri That's a very lovely deck
"If possible, I would like to make it strong but this was my limit..."
I have to.. reply some-thing.. ehm..
Send.
from the goddess...!!
A reply
I've got to take a screen-shot of this!!
Hya ...
Screen-shot ...!!
Gya ----!
Wa ~~



She even taught me how to assemble and use stronger combos
without disturbing the concept of my deck...!!
@k_komorigirl
kagurazaka

Yet another

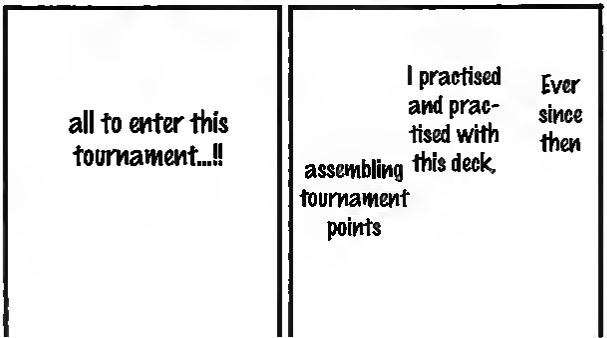
いかがでしょう？

As expected
of my goddess...!!

SURE!
I WANT TO PUT TOGETHER ONE LIKE THIS TOO, IS THAT OKAY?
HOW CUTE~
THIS DECK IS AMAZING.

In order to tell Aoi-chan
my gratitude
directly...!

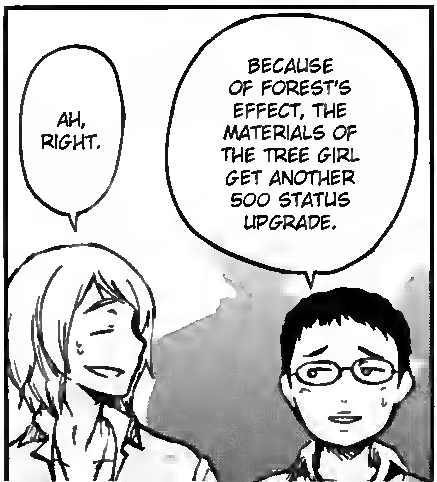


Ever since then
I practised and practised with this deck,
assembling tournament points
all to enter this tournament...!!

I'll win!
This person may be scary but...
MY TURN.
DRAW.
I PLACE ONE CARD FACE DOWN.
END TURN.
MY TURN.
DRAW.
'INHABITANT OF THE FOREST - BERE'.
I SUM-MON
END TURN
HO~?
IT'S A TRIBE DECK THAT FOCUSES ON PUTTING OUT A LARGE NUMBER OF SMALL CREATURES FAST.
AS FOR HER DECK,
WHAT?
YOU'RE WATCHING ICHINOSE'S MATCH AGAIN?
WHO'S HER OPPO-NENT?
SOMEONE I DON'T KNOW.

A DECK LIKE THAT SEEMS STRONG AGAINST
POWER-TYPE AND ANGEL DECKS...
EVEN AGAINST RECRUITERS, I GUESS.
WELL
IT'S WEAK AGAINST BURN THAT POPPED UP FROM SOMEWHERE THOUGH.
BUT I CAN UNDERSTAND HOW THAT DECK MADE IT THIS FAR.

I SUMMON 'ONE THAT FOSTERS THE FOREST - SQUIRREL'.
ALL MATERIALS
WILL BE TURNED INTO CREATURES
CALLED 'YOUNG FOREST TREE' WITH ALL STATUSES AT 500.
One that fosters the Forest - Squirrel
Substitution Cost: 2500 HP
All mats on the field are turned into 500/500/500 creatures called 'Young Forest Tree'. They continue to act as materials
1000
1000
1500



BECAUSE OF FOREST'S EFFECT, THE MATERIALS OF THE TREE GIRL GET ANOTHER 500 STATUS UPGRADE.
AH, RIGHT.

DOESN'T THIS TURN ALL OF ICHINOSE'S MATERIALS INTO CREATURES AS WELL?
?
DOESN'T THIS DEFEAT THE POINT?
WHAT AN IDIOT YOU ARE.

Guardian of the Forest Chestnut
I SUMMON
'GUARDIAN OF THE FOREST - CHESTNUT'.
YOU REALLY ARE A SMALL FRY, EH.
SHUT UP.

ALL CREATURES SUSTAIN
500 DAMAGE.
AT THE BEGINNING OF EVERY TURN,
IT'S FIRST EFFECT IS,

SO SHE'S GOING TO LOSE ALL OF HER MATERIALS...
HER MATERIALS HAVE BEEN TURNED INTO THE WEAKEST KIND OF CREATURES AS WELL,
ALL BUT ICHINOSE'S WALL CREATURES WILL BE ANNIHILATED.
WITH THAT
ARA...

WITH THE SECOND EFFECT,
'GUARDIAN OF THE FOREST - CHESTNUT'
GAINS 500 IN STATUS FOR EACH CREATURE ON MY FIELD.
THIS INCLUDES THE MATERIALS TURNED INTO CREATURES AS WELL SO THAT MAKES 10,
FOR 5000 TOTAL.
END TURN.
Aoi-chan must be holding
her life event at the hall next to this one...

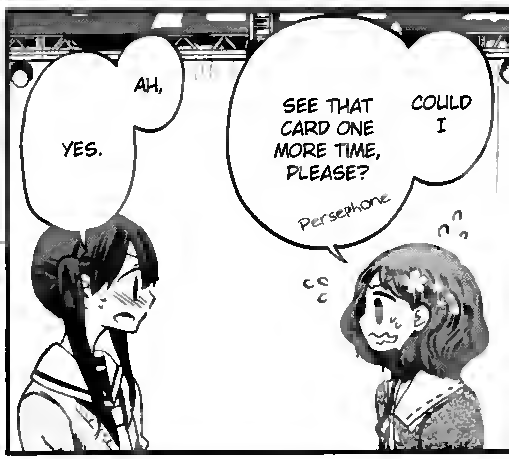
I prepared tickets for both yesterday and today
and I wanted to go but...
No no no!!
Just 2 more.
If I win two more games I can meet her!!
I can't win because this is a fan deck...
She guided me out of giving up and making excuses like that.
I am going to tell Aoi-chan my thanks!!
END TURN...!
.....
MY TURN.

...AT THE BEGINNING OF YOUR TURN,
CHESTNUT'S ABILITY ACTIVATES
AND ALL CREATURES ON THE FIELD RECEIVE 500 DAMAGE.
6 OF MY CREATURES HAVE BEEN DESTROYED,
SO I COLLECT 6 SOUL CRYSTALS.
...っ
DRAW.
Even if she turned them into Soul Crystals,
she doesn't have any materials left,
so there shouldn't be anything left for her to do...
NOW THEN ...
WHAT IS ICHINOSE-SAN GOING TO DO?
.....

'QUEEN OF HADES
PERSE-PHONE'
SUM-MON.
!!!
I PAY
2500 LIFE AS SUBSTITUTION COST
A 2500 HP substitution cost!? Just what kind of counterplan does she...!?
...?
...
...EXCUSE ME, COULD I SEE THAT CARD FOR A MOMENT?
AH, YES!
She has 2 abili-ties.
The first is
pay 2 Soul Crystals... a whole 2 of them to
Her HP is 500 too,
...the weak-est.
Offense Power... zero?
She paid 2500 HP for...

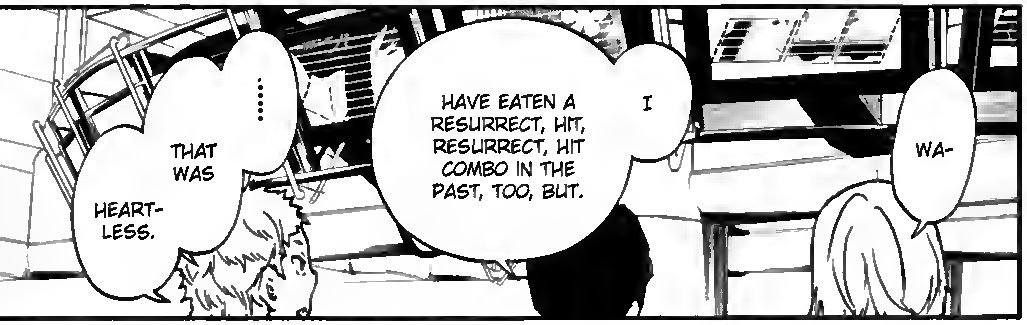
Uh...
U-n...
Destroy a single creature...
and inflict the destroyed creature's HP
as damage to it's owner...
There should be heaps of other things you could do with 2 Soul Crystals...
...which means
Resurrect a single creature.
the second ability must be dangerous...?
Or so I thought,
but it wasn't...
【代償コスト　2500ライフ】
HP 50
SORRY,
COULD I SEE YOUR GRAVEYARD AS WELL?
Just in case.
HERE YOU GO.
The creatures in her grave-yard
are weak too.
THANK YOU VERY MUCH.
YES.

With this
'Guardian of the Forest' is surely going to get destroyed,
but if I just hit her with the other creatures next turn it's my win.
NOW THEN,
I PAY 2 SOUL CRYSTALS,
TO DESTROY 'GUARDIAN OF THE FOREST - CHESTNUT'.
YES.
THE DESTROYED UNIT'S HP
WILL BE INFLICTED UPON YOU AS DAMAGE.
5000 TOTAL.
I RECEIVE THE DAMAGE DIRECTLY.
I HAVE 5000 LEFT.

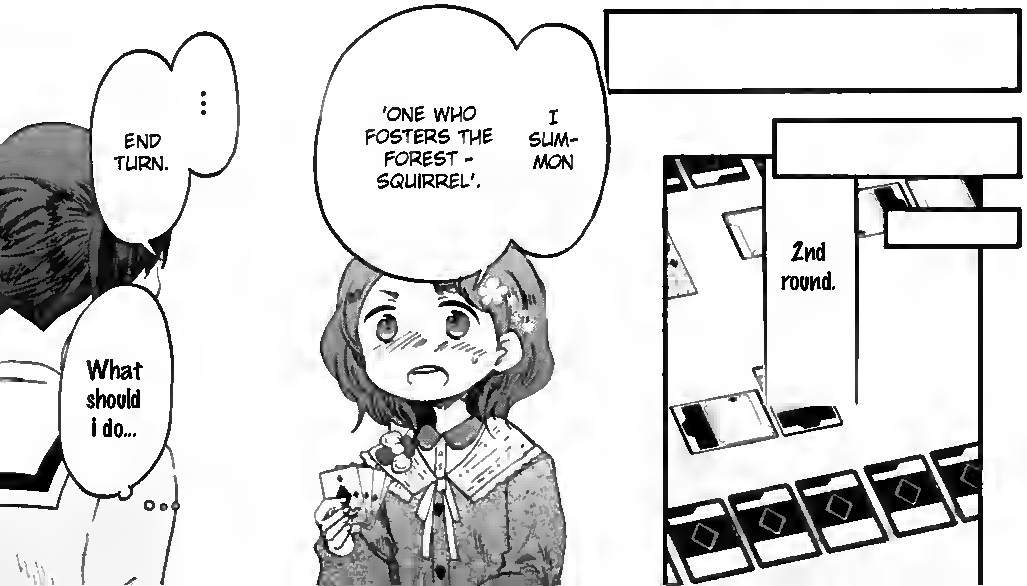


SFX: HA -> REALISATION

TO DESTROY 'GUARDIAN OF THE FOREST - CHESTNUT'.
As I thought!!
.....
This person is terrible...
...I LOST.
THANK YOU FOR THE GAME.
If Aoi-chan is a goddess,
then this person is an Oni.



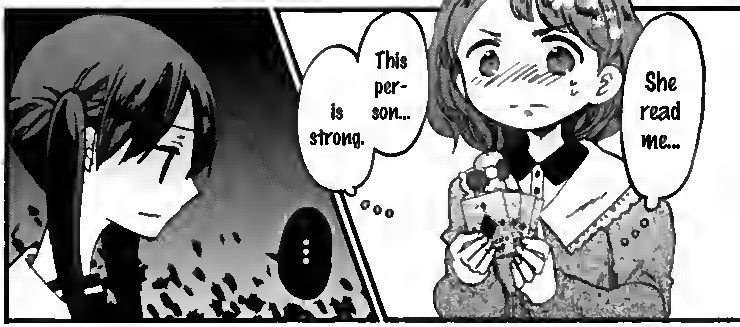
WA-
I HAVE EATEN A RESURRECT, HIT, RESURRECT, HIT COMBO IN THE PAST, TOO, BUT.
THAT WAS HEART-LESS.



2nd round.
I SUM-MON 'ONE WHO FOSTERS THE FOREST - SQUIRREL'.
END TURN.
What should i do...

My opponent
added a lot of Wall creatures as well so it's not going as I planned.
I put in lots of creatures from my side board
in order tu bring her down with numbers but...

But this deck is strongest when using this combo Aoi-chan taught me.



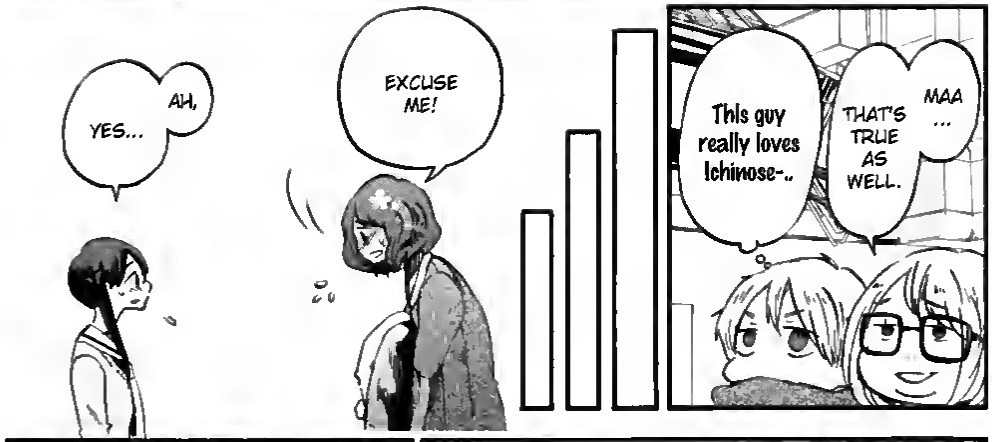
but if something like last round happens again I'll end up losing...
I can bring out 'Guardian of the Forest - Chestnut' during the next turn

I can hear it...!
...!!
END TURN.
I PLACE ONE CARD FACE DOWN.
What should I...
It's Aoi-chan's voice...!!
I can hear faint sounds... from the live event hall next to us...
I've decided!
I PLAY 'GUARDIAN OF THE FOREST - CHESTNUT'!!
Aoi-chan is always saying,
"Believe in yourself"
"Believe in your deck..."

I have nothing to lose at this point, so I'll take this plan towards either end..!!
END TURN.
ISN'T THAT EXACTLY THE SAME AS BEFORE?
DOES SHE HAVE SOME PLAN?
MAYBE WITH SUBS-TITU-TION ...
OR THROWING OFF YOUR HAND CARDS, OR PAYING WITH YOUR LIFE OR,
SHE HAS A CARD THAT CAN DO SOME-THING ABOUT PERSE-PHONE?
NO.
I LOOKED THROUGH THE OPPONENT'S DECK LIST,
SHE DOESN'T HAVE ANY CARDS OF THAT KIND.
Including Hand Side Board
FU-N.
This guy even checks the lists of Ichinose's opponents, huh.
HOW-EVER,

UNLESS MANAKA DRAWS PERSE-PHONE
I summon
SHE'S ACTUALLY SOMEWHAT IN A BIND.
'QUEEN OF HADES - PERSE-PHONE'
FROM MY HAND.
SHE ALREADY HAD IT.
AAH.
THEN IT'S OVER.
…っ
I LOST.
THANK YOU FOR THE GAME.
WELL, NO HELPING IT.
THAT WAS ALREADY A BET OF WHETHER SHE'D DRAW IT OR NOT.

IF SHE HADN'T PLAYED THE GUARDIAN THERE,
EVEN IF SHE CONTINUED TO HIT WITH THE SMALL CREATURES
MANAKA WOULD HAVE HAD TIME TO PREPARE PROPERLY,
INCREASE HER FACE DOWN CARDS,
AND ULTIMATELY WIN BY COMING UP WITH SOME STRATEGY LIKE USUAL.



EXCUSE ME!
AH, YES...
MAA ...
THAT'S TRUE AS WELL.
This guy really loves Ichinose-..

Did I make someone hate me... again?
ドキ
ドキ

How vexing..
... but.
Uh--
Nothing but points to reflect on are popping up ..
I already knew it...
I'm supposed to have resolved to it, but
it's still frustrating... !
For now, let's change gears
and head to the live event hall.
Let's vent this sadness
at the live event--!
If I go there now
I can still listen to a number of songs...!
SWIFT WALKING

LOOKS LIKE YOU WON, EH.
Just ... one more battle.
KU-SAMA-SAN...!
CON-GRATU-LATIONS.
WHAT-EVER
I'M SORRY ...
THERE IS NO REASON FOR YOU TO APO-LOGIZE.
I LOST.
DID KUS-AMA-SAN
MORE IMPOR-TANT-LY, YOUR OPPO-NENT FOR THE FINAL,
DO YOU KNOW HIM?
N-
...NO.
IT'S THIS GUY.
SELF-PRO-CLAIMED GENIUS DECK BUILDER
CHIKUDATE HIRO.

HE'S THE MASTERMIND WHO POPULARIZED BURN DECKS THIS TIME.
AMA-ZING!
AH... BUT, THIS BURN DECK LOOKS LIKE YOU COULD DO A LOT OF THINGS WITH IT AND SEEMS FUN.
RIGHT. ACCORDING TO THE WEBSITE, IT CAN BE ADJUSTED INTO QUITE A NUMBER OF DIFFERENT DECK TYPES~
ALMOST LIKE A CERTAIN OTHER PERSON'S DECK I KNOW OF.
...
SORRY.
THERE MAY NOT BE THAT MUCH TIME UNTIL THE FINAL BUT IF YOU DON'T THINK OF SOME COUNTER MEAS-URES UNTIL THEN YOU'RE PROBABLY GOING TO BE KILLED INSTANTLY.
!
THANK YOU VERY MUCH.
IT'S JUST ADVICE BASED ON THINKING ABOUT WHO WOULD BE BETTER OFF WINNING, BE-TWEEN YOU AND YOUR NEXT OPPO-NENT.
?
AH--
DON'T MISUND-ERSTAND ME.

MASTER!!
THERE HE IS.
CAN YOU STOP CALLING ME THAT?
NO, WELL, MASTER IS MASTER, AFTER ALL.
AH, HELLO.
I'M CHIKUDATE. nice to meet you
I'M ICHINOSE!
SO YOU WERE A MASTER.
WRONG!
WELL- YOU SEE, ABOUT 10 YEARS AGO
MASTER VISITED SHIKOKU FROM TOKYO.
BACK THEN, USING THE INTERESTING DECKS SHE COLLECTED IN TOKYO,
SHE BEAT ME UP OVER AND OVER EVERY TIME.
THEY WEREN'T INTER-ESTING, JUST NORMAL.

JUST NOW,
I BEAT MASTER DIRECTLY WITH ONE OF MY SELF-BUILT DECKS...!!
AND THEN FINALLY!!
IS THAT SO.
AND JUST LIKE THAT I ADMIRED MASTER
AND CAME TO START BUILDING ALL SORTS OF DECKS MYSELF.
twitch
.....
DO YOUR BEST, YOU HEAR...
DO YOUR BEST.
!
twitch
twitch
.....
THIS FEELS REALLY GOOD~
YOU KNOW-

....However, I have to win---

森さんのカードギャラリー

A 'Forest' tribe deck that is weak by itself but can change into a dramatically stronger version once the area spell 'Forest' is on the field. The key to victory with this deck is to bring 'Forest' out as quickly as possible.

Using the Material to Creature plus Annihilation Combo that Kagurazaka Aoi taught her, this girl can fight evenly with current top meta Angel decks and is how she entered the Top 8.

Comment from the illustrator:

The original reason I wanted to start drawing pictures was actually because I wanted to become an illustrator for cards, so I'm happy since it feels like that dream finally came true.
